

LAKE IRENE PRESERVATION ASSOCIATION

Membership for calendar year 2026

Statement of Purpose: To improve, preserve, and secure the natural resources of Lake Irene and protect the interests of its residents and stakeholders.

Your membership is critical during LIPA's discussion with the DNR, Douglas County and other agencies which support our vegetation and fishery management efforts. The support of members also allows LIPA to help improve the recreational quality and property values around the lake.

I am willing to help support the Lake Irene Preservation Association (LIPA):
